

Announcing the fourth and much celebrated “Yarra Yabber” Tour

Join the Yarra Riverkeepers on a journey to the Upper Yarra reservoir. Learn how this mighty storage was built and operates, and its pivotal role in providing Melbourne’s water. Discover aspects of the region’s rich gold, timber and railway history in stops at the Yarra Junction museum (located in the old station), and at the Little Peninsula Tunnel. Walk beside the river to view local wildlife and plants. Discover how recent impacts may shape the Yarra’s future.

Sunday 16 October 2011 9 am to 6 pm

Expert presenters including:

BRIE JOWETT (Water supply strategist)
STUART COOPER (Parks Victoria ranger)
DAN BORG (Native fish expert)
